8. Requirements for Foreign Corporations

The Legislative Research Commission (LRC) has established a policy requiring that foreign corporations, LLC's, etc (businesses incorporated outside Kentucky) must be registered with the Secretary of State (SoS) in order to do business with an agency of the Commonwealth of Kentucky. The following website has information on registration: <http://onestop.ky.gov/Pages/default.aspx>. A foreign business must submit an application for a Certificate of Authority for their appropriate business type.

To be issued a Certificate of Authority by the SoS, a foreign company must also designate a registered agent with a Kentucky mailing address. For foreign companies that do not know anyone who can act as their registered agent, it is common to engage a professional registered agent. The following link contains information on registered agent companies: <http://www.registeredagentinfo.com/big-four.html>. The annual fee is generally insignificant.

9. Occupational License

Northern Kentucky University was annexed by the City of Highland Heights in 2008. All contractors performing work for NKU must possess a Campbell County Occupational License and a City of Highland Heights Occupational License (administered by Campbell County) and must also pay applicable payroll taxes. For further information call 859.292.3884 or log onto: <http://campbellcountky.org/index.php/home/services/occupational-license>.

10. Contractor may not begin work until contract has been received by the Legislative Research Commission. Receipt of a Northern Kentucky University Purchase Order will be the department and contractor's notification that work may commence.
